## Safety

### Crash Avoidance Features

With sophisticated engine management and computer programming, Sunfire's available ABS and Enhanced Traction System (ETS) help provide solid stops, traction, and control in the most challenging conditions.

### Security

The PASSLock theft-deterrent system disables the vehicle's fuel system if the proper key is not used.

### Occupant Protection

Among its many safety features, the Sunfire provides driver and right front passenger air bags\*\*, 3-point safety belts for all seating positions, and automatic power door locks.

### OnStar®

The available OnStar with one-year Safe & Sound Plan\*\*\* provides the peace of mind of knowing you can request help with just the push of a button. OnStar Advisors are available 24 hours a day, 7 days a week. If your air bags deploy, OnStar Advisors are automatically alerted and can send help to your vehicle's exact location even if you are unable to answer their call. If your vehicle is stolen, Advisors can assist police in attempting to locate your vehicle. In most cases, Advisors can also unlock your doors remotely if your keys are locked inside.

\*Manufacturer's Suggested Retail Price. Tax, title, license, dealer fees, and optional equipment are extra.

\*\*Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See owner's manual for more safety information.

\*\*\*Subscription Service Agreement required. OnStar services require vehicle electrical system, wireless service and satellite technologies to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Call 1.888.4.ONSTAR (1.888.466.7827) or visit onstar.com for system limitations and details.

## Warranty

### Coverage

This warranty is for GM vehicles registered in the U.S.A. See your Pontiac dealer for terms and conditions.

Covered for three years/36,000 miles, whichever comes first:

- The complete vehicle
- Tires
- Towing to your nearest Pontiac dealership
- Cosmetic corrosion resulting from defects
- Repairs made to correct any vehicle defect
- No charge for most warranty repairs

Covered for six years/100,000 miles, whichever comes first:

- Rust-through corrosion

### Corrosion Protection

Pontiac vehicles are designed and built to resist corrosion. All body and sheet metal components are warranted

against rust-through corrosion for six years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your Pontiac dealer for terms of this limited warranty.

**An Important Note about Alterations and Warranties**

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty.

The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.

**Roadside Assistance**

24-hour Roadside Assistance during the New Vehicle limited warranty period provides in an emergency:

- Lockout assistance
- Dead-battery assistance
- Out-of-fuel assistance
- Flat-tire change
- Towing for warranty repairs
- Courtesy transportation

Some services will incur costs. See your Pontiac dealer for details.

\*Manufacturer's Suggested Retail Price. Tax, title, license, dealer fees, and optional equipment are extra.
