## NISSAN MURANO

**REDEFINE ADVENTURE IN THE URBAN LANDSCAPE.** There are many words to describe the Nissan Murano. Ordinary, however, will never be one of them. After all, Murano was the first All-Wheel Drive SUV to offer a 245-hp aluminum-alloy V6 matched to an advanced Xtronic CVT (Continuously Variable Transmission) for exceptional smoothness with invigorating power and increased efficiency. While inside its well-appointed cabin, Murano distinguishes itself further with available amenities like a new Intelligent Key keyless entry and ignition system. Dual-Zone Automatic Temperature Control. A multi-talented Information Center. Plus an optional DVD-based Nissan Navigation System that's ready to guide you to wherever your adventurous spirit leads.\*

\* Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Navigation System is inoperable in Hawaii and Alaska. It is operational in the contiguous 48 states.

**THREE EXCEPTIONAL NISSAN MURANOS TO CHOOSE FROM.**

**S:** REDEFINITION OF ADVENTURE

**SL:** STATEMENT OF BEAUTY

**SE:** PORTRAIT OF PERFORMANCE
