Safety

Crash Avoidance Features
With sophisticated engine management and computer programming, Grand Am's ABS and Enhanced Traction System help provide solid stops, traction, and control in the most challenging conditions.

Security
The PASSLock theft-deterrent system disables the vehicle's fuel system if the proper key is not used.

Occupant Protection
Among its many safety features, the Grand Am provides driver and right front passenger air bags** 3-point safety belts for all outboard positions, manual lap safety belts for center seating positions, and automatic power door locks.

*Manufacturer's Suggested Retail Price. Tax, title, license, dealer fees, and optional equipment are extra.
**Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Children are safer when properly secured in a rear seat. See owner's manual for more safety information.

Warranty

Coverage
This warranty is for GM vehicles registered in the U.S.A. See your Pontiac dealer for terms and conditions.

Covered for three years/36,000 miles, whichever comes first:

- The complete vehicle
- Tires
- Towing to your nearest Pontiac dealership
- Cosmetic corrosion resulting from defects
- Repairs made to correct any vehicle defect
- No charge for most warranty repairs

Covered for six years/100,000 miles, whichever comes first:

- Rust-through corrosion

Corrosion Protection
Pontiac vehicles are designed and built to resist corrosion. All body and sheet metal components are warranted against rust-through corrosion for six years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your

Pontiac dealer for terms of this limited warranty.

An Important Note about Alterations and Warranties

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty.
The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.

Roadside Assistance

24-hour Roadside Assistance during the New Vehicle limited warranty period provides in an emergency:

- Lockout assistance
- Dead-battery assistance
- Out-of-fuel assistance
- Flat-tire change
- Towing for warranty repairs
- Courtesy transportation

Some services will incur costs. See your Pontiac dealer for details.
